

# Sizing Information

All “C Series” and “RevoLite™ Series” garments comply with NFPA-70E and CSA-Z462.

## How To Measure:

**Chest:** Measure around the fullest part of the chest with arms down.

**Sleeve:** With elbow slightly bent, measure from center of neck to elbow and down to wrist bone.

**Waist:** Measure around the natural waistline.

**Inseam:** Measure from crotch seam down to bottom of leg.  
Alterations to Cementex 32” standard coverall length will affect deliveries.

*Outerwear is manufactured larger than standard sizes to fit comfortably over clothing.*
